with absolutely nothing, sometimes little or no
nothing. The work here is hard but interesting,
and we now have a first class installation

cases. Forgive please this brief line but I am
pressed for time. I enclose you two cards for the
Children to see. One of a park outside our Hospital
The other of the building itself, they will get
some idea of the place. I am so delighted

Hear that my dear Baby is doing well
and that I am saluting with her.
Please give her my fond love.
